

## **BidHub Celebrates Mark Rigby as President**

*Woodstock, IL. – April 1, 2006* – Recently named, Mark Rigby is the new President of BidHub, a company which offers a suite of tools and services to help construction industry professionals manage their businesses. With a highly impressive professional life, Mark Rigby deserves to be acknowledged as a veteran of the industry and BidHub recognizes that. Having a seasoned and quality leader like Mark is a testament to the strength and success of the still young company.

Having worked as Chief Operating Officer with GradeBeam, LLC and as Senior Project Manager with Pepper Construction, Mark brings a great deal of industry experience and knowledge to the table. One of his most impressive accomplishments includes managing and overseeing the construction of 600,000 square foot corporate headquarters facility for W.W. Grainger Inc. Other notable projects include construction of the Kraft Corporate Headquarters, renovation of a 44 story apartment to condominium complex in downtown Chicago, and the renovation of Northwestern University's Kellogg Graduate School of Management.

BidHub is thrilled and honored to have such a knowledgeable and driven talent such as Mark on their side. Without a doubt, Mark Rigby will be a tremendous asset to BidHub, and the company looks forward to his strong leadership, insightful knowledge, experience, and long-term vision.

### **About BidHub**

BidHub is a leading application service provider (A.S.P.) that provides a gateway and opportunity for General Contractors, Homebuilders, and Subcontractors to manage efficiently and cost effectively Commercial and Residential projects. Created by industry professionals, BidHub's web-based tools allow Subcontractors to receive bid invitations, submit bids on projects, and obtain digital or printed versions of architectural plans and specifications. Homebuilders and General Contractors have the ability to organize their Subcontractor databases, receive and view online bids (sorted by CSI code), and award multiple contracts. BidHub gives its users the tools to manage the entire bidding process with luxury and ease without having to purchase expensive software or hardware.
